NATASHA'S TIT-LICK

Dear PURELY 18,

Why do girls lick their own boobs? Because they can. That's the conclusion I've come to after viewing Natasha Nice in your September issue. That healthy rack of hers has got to be sucked on by someone, and if we're not going to do it I guess that leaves only Natasha herself. Seems to me it's time for a real man to step up and suck them titties like he means it.

Since I didn't see any hands fly into the air, I nominate myself for this duty. While

I'm at it, I shall also pleasure her smooth and beautiful pussy, both with my mouth and my cock. I also volunteer for any anal fun she might like to participate in. After fucking her I will kindly give her a huge load of my semen on or in any body part she chooses. Haters, don't be jealous. I am only being a team player.

Who could possibly look at your photos of her on the beach and not want to slip your hand beneath that gray skirt and right on into her pink panties? No straight man, I'll tell you that. What a girl!

**Chase
Princeton, NJ**

Dear Chase,

Perhaps the reason you didn't see any hands fly into the air is because we were all too busy jerking off to Natasha's spread. Of course we would all screw her—that goes without saying. But there are millions of men in this country and only one Natasha Nice, so we are merely helping her satisfy as many guys as she possibly can. See, we all play our part on Team Natasha!

COED CASEY

Hey PURELY 18,

I've been meaning to write you about Casey Parker, but every time I think of her I get sidetracked by her beauty and end up losing a couple hours. Talk about your prototype for the California coed, this girl is fucking hot!

I'm glad that you picked her for the Teen Dream, because that's a feature I have come to depend on. Just about every month I share these dreams with you, but never have I been so quick to agree with your selection as I was with Casey. I love girls who are blonde and tan and look like

they're fun to hang around with (after all, we can't be fucking 24 hours a day, much as we'd love to). Casey is all those things.

Plus it looks like she has a cool car and I'd like to drive her around (me behind the wheel means her hands would be free). Why not, she's already driving me crazy!

**Stephen
Lynchburg, VA**

Dear Stephen,

Aim high, that's what we always say. While we can't vouch for Casey's driving skills, we know she's a wildwoman in the sack. And she is as cute and fun in person as she is in pictures. Seems the only question is, Can

PARIS

you surf? Don't forget that today's ladies demand we keep up with them in bed and out, so be prepared to hit the waves with the little sexpot!

PARIS IS BURNING

Dear PURELY 18,

What's up with this trend of naming girls after cities? First there was Houston, now Paris [Purely 18, Sept. 2008], and I think there were some in-between. Aw, who am I kidding? Name a hot chick after an old sock and I'm in.

Even if Paris had no name, I'd be happy to take a tour around her sweet body. I'd do just about anything to get lost in her long, golden locks or to get my mouth on her titty handfuls—and that's just the beginning. Paris may have the finest-looking gash my

eyes have ever popped out of my head to see. Seriously: It's shaved, it's pierced, and it's filled with man-shaped meat. Now to replace that pink dildo with my third leg. She won't regret it, I'll tell you that!

Jason
Park City, UT

Dear Jason,

A hottie by any other name is still a hottie, that's the way we see it. We love Paris, too, and seeing as how she is such a fun girl, we think she'd appreciate you offering her your third leg. Just remember that the line forms right behind PURELY 18.

VICTORIA VIXEN

Hi PURELY 18,

What's up, P18?! I've been getting your

magazine for a while now and I'm probably one of your few female readers (at least judging by the names in the letters section), so I thought I would write in with a little female perspective.

I recently received your September issue in the mail and was immediately struck by the passion in the sex pics of Victoria. She is stunning and I was truly surprised at how horny I was while looking at the pictures. I could almost feel that guy's dick deep inside my own pussy—then I realized it was only my own fingers.

I know there's the stereotype that guys are always jerking off to magazines like yours, but few people seem to realize that the ladies get off on it, too. Heck, just seeing Victoria all dressed up in the mini-skirt,

VICTORIA

stockings, and tie was enough to get my juices flowing. I think I came once before she even got his cock in her mouth! Thanks for the great pics every month, P18!

Kayla
Santa Cruz, CA

Dear Kayla,

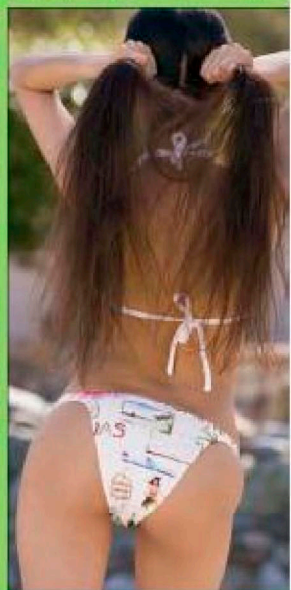

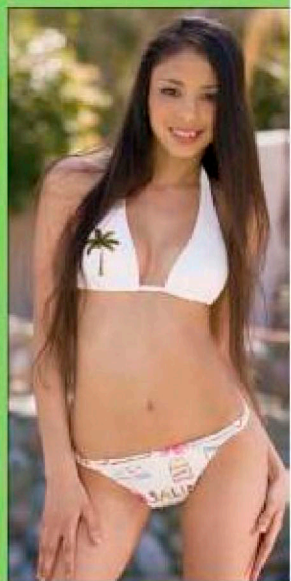

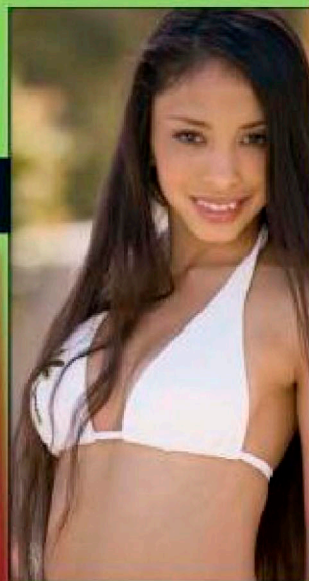

It's true, many of our readers are women, but you ladies often keep your dirty secrets to yourselves, unlike us guys. We thought that Victoria set was really hot, too. Perhaps we'll bring her back for an encore, unless you can think of someone better...eh, Kayla?

Alexis

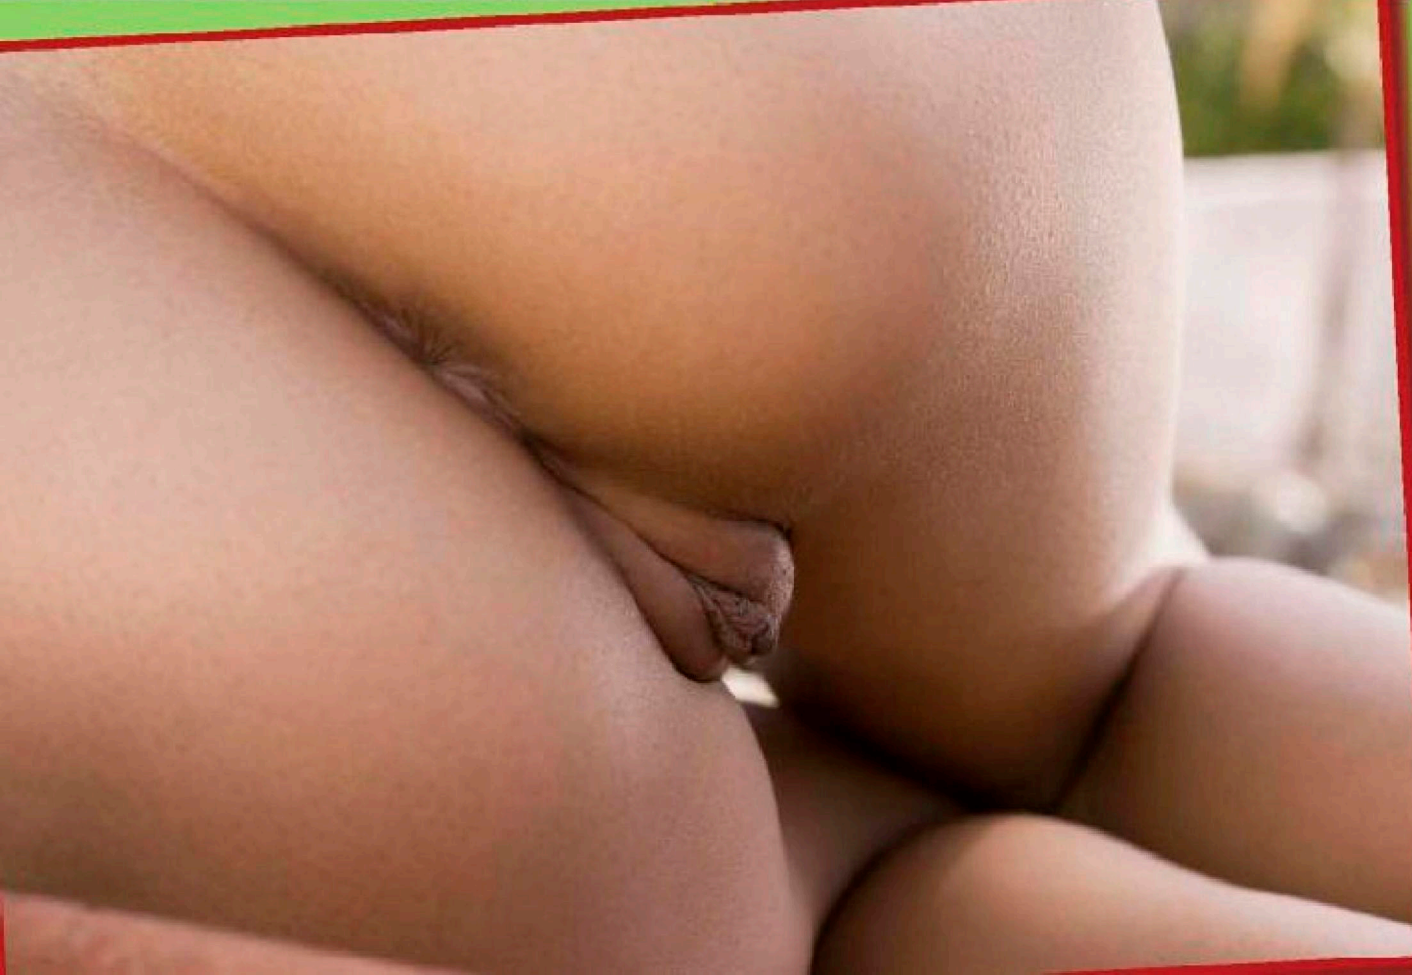

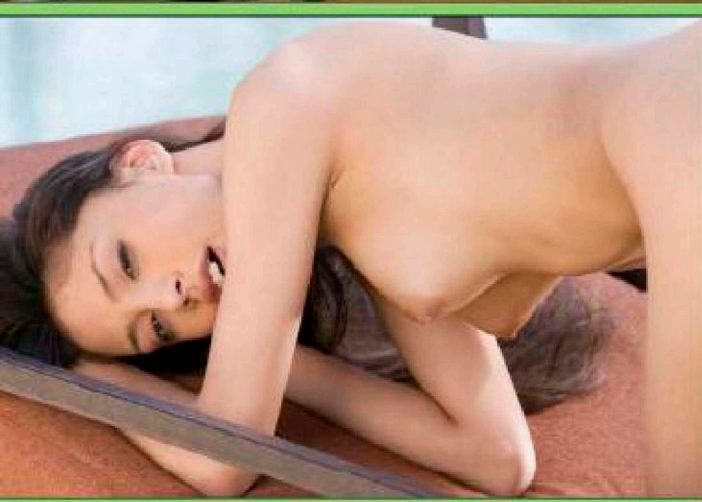

PERFECT FUCK-DOLL

What can we say about **Alexis Love**? That we adore her long, shimmering, dark hair; that we're mesmerized by her smoldering eyes, her full, red lips . . . We'd love to suck, then put our dicks between, her sweet, jiggly breasts. We'd sacrifice anything to feast on, then fuck, that heavenly vagina. What we wouldn't give to be doing her doggie-style with that delicious pair of ass-cheeks banging against us! Hey Alexis, can you tell that we're dying to fuck you soooo bad!

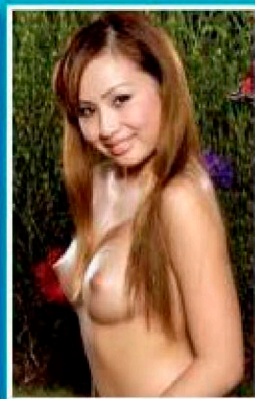

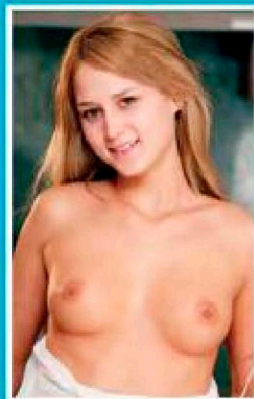

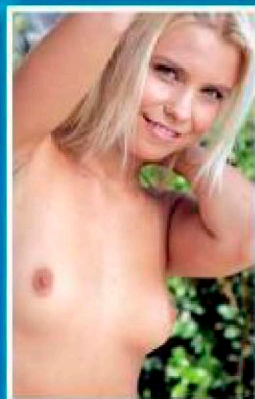

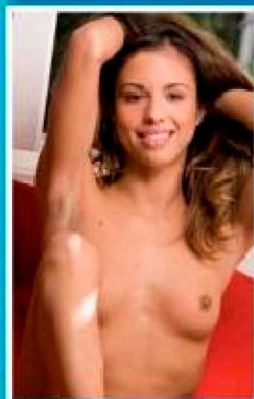

Purely 18 *CELEBRATES* 10TH ANNIVERSARY

It's hard to believe, but we've been publishing **The Most Pics Of Any Young-Babe Magazine** for 10 years—so far! Join us for a lusty look back at some of the most smokin'-hot girls from our sweet pussy-filled history!

More may not always be better, but sometimes it just works. We all want as much sex as we can get, so we figured people might want to see as many photos of their favorite girls as possible—and we were right!

In the 10 years since, that simple concept has flourished. The reader response was overwhelming. Years ago one reader, William of Hartford, Conn., summed it up this way: "Purely 18 has revolutionized the way I view pornography," he wrote. "I was used to seeing a few photos of my favorite girls, and I just knew there had to be more where those came from. Purely 18 has shown me the light." All these years later we are still packing as many photos as possible into each layout. While some initially saw it as a (brilliant) sales gimmick, true fans knew that we had tapped into something bigger. The multiple photos allow a more penetrating look into the lives of the beautiful gals who grace our pages.

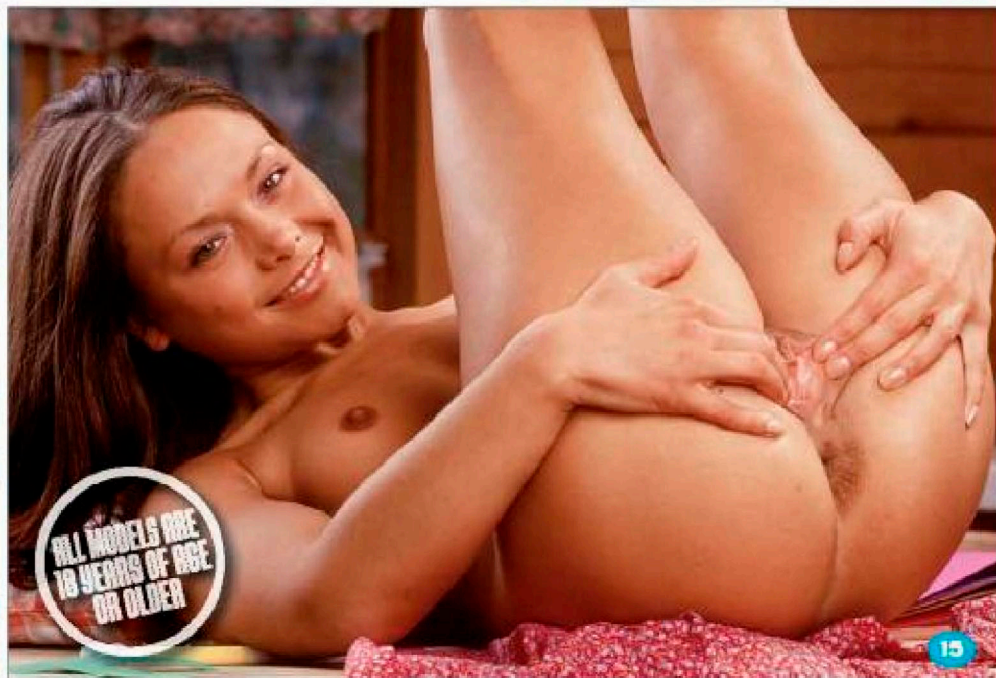

Probably the most common question we get is, Where do you find the girls? Over the years we have featured thousands of girls in the pages of **Purely 18**, and each girl has her own individual story of how she made it into the magazine. We have developed a network of photographers, model agents, and fans who are eager to send talent our way. Sometimes the girls themselves scout other young girls eager to appear in mags like **Purely 18**. More than once, a chance conversation with a young lovely at the mall or a club has resulted in finding a fresh cover girl. Much to our delight, many models have come directly to us, eager to doff their duds for our loyal readership.

This was the case with a young upstart named **Sabrina**, aka **Pixle**, **Nadia**, etc. The pint-sized brunette was a British subject who flew all the way across the pond to dazzle our staff in person. Needless to say, the eager and gorgeous 18-year-old was a welcome surprise and an immediate hit with readers, prompting several follow-up appearances.

"A friend had gone to America and come back with what seemed like a suitcase full of copies of **Purely 18**," Sabrina told us earlier this year. "At first I thought it was kind of weird and perverted, but as I looked through them I found that they were actually very sexy. I think I masturbated like four times that day and then decided that I didn't want to just get off on looking at other girls having fun, I wanted to be one of those girls. I can honestly say that I have never cum like I did in those shoots."

Sabrina's pictorials included solo (many with a dildo) and some girl/girl

SABRINA
MAY 2006

shoots and were among the most popular we've ever run. Other girls are gone almost before they arrive, disappearing with boyfriends or getting jobs at places that aren't so nude model-friendly (our worst nightmare!). Still, as many have pointed out, seeing a girl once in *Purely 18* is like seeing her 10 times in so-called competing magazines.

Some of the young babes who have appeared in these pages have gone on to great success in the adult industry. In recent years girls featured here went on to become household names. Girls like **Jana Cova**, **Sasha Grey**, **Lela Star**, **Rebeca Linares**, **Trisha Uptown**, **Brianna Love**, sisters **Ava** and **Mia Rose**, **Tanya James**, and **Casey Parker** all shared their snatches with P18 readers, helping their careers blossom.

"Even before I decided for sure that I wanted to do porn I knew that *Purely 18* was an important step for girls starting in the industry," Casey Parker recently told us over lunch in San Diego. "P18 really fits my personality—it's fun and all the girls are really pretty. I was nervous when I sent my pictures in, but I knew I had to do it. The day I found out I would be modeling for the magazine was one of the best days of my life."

With so many of our girls moving on to the adult industry it was only natural that we would follow along, and in the past couple years we've added coverage of the sets of adult movies to our repertoire. Reader response has been overwhelming, proving that a backstage view of adult movies has a place in a magazine that set out to simply run more pictures of your favorite girls than any other publication. The industry seems to like it, too.

"I was subscribing to *Purely 18* even before I started working in the jizz biz," said performer/director Mark

Wood, whose titles *Wasted Youth* and *We Fuck 'Em Young* were featured in the magazine. "Once I started directing, I found myself using the magazine as kind of a catalog. There were so many hot chicks that I wanted to shoot, and that's when I started calling you guys all the time. Thanks to P18 I feel like I had an advantage over much of my competition, though I suspect I'm not the only one trying to tap into the P18 pool."

That works both ways. By spending more time on set, we are in closer contact with the latest young starlets, and it seems everyone knows a girl (or several) who would be "perfect" for the magazine. While we can't run everybody, we appreciate folks passing on their recommendations.

"I remember one girl I saw in your magazine and was just blown away," Wood recalled. "I would have called you immediately but I had to jerk off just so I could think straight. About a week later she showed up—I don't want to say which girl, because she's very sweet and discreet—at my office and within minutes I was nailing her on my desk while [Wood's wife] Francesca [Lé] was filming it. It was one of the hottest scenes I've ever been a part of. That one was for the home collection."

And sometimes, after a girl has gone on to become a porn superstar, **Purely 18** has uncovered their earlier, never-before-seen photos, the so-called "Lost Nudes" series.

Of course, for every girl who goes on to find stardom in porn, there are four others who will never be seen again. Sometimes they are fulfilling a fantasy, while others are simply rebelling against their parents and, yes, some of them have done it for the money, paying their rent in half a day while getting to have an orgasm or two in the process. It sure beats working fast food!

We've also given opportunities to girls that they hadn't had before. Beyond the obvious firsts of posing for pictures that will be featured in an international magazine, we've had girls who sucked their first cock for our cameras, and many more who had their first lesbian experience while posing for the magazine. There are few things so satisfying as watching a young girl expand her range of sexual possibilities.

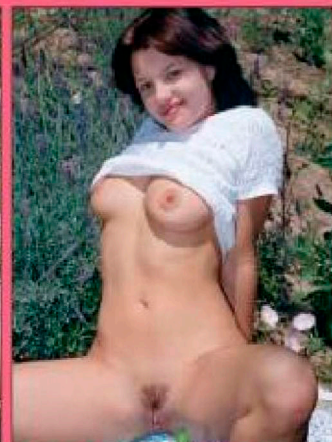

And while we tirelessly search the globe to bring you the freshest young faces (and pussies!), naturally we present return appearances for our (and your!) absolute favorites.

Purely 18 is also well-loved for its kinky compilations—showcasing subjects like young girls with the best boobies (all-natural, of course!), pinkest pussies, finest ass-cheeks, lustiest legs, etc. And there have been collections of young Exotic Babes, Best Young Blowjobs, and, of course, the beloved Panty Raid!

This is only the beginning. The years have flown by and our quest to find the latest young babes to share with you is as exciting today as it was 10 years ago. We thank you for coming—and cumming—along for the ride. Stick around, because there's much more where all that came from.

ASHLYNN BROOKE

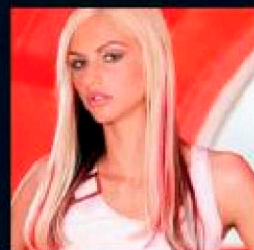

LAYLA MONROE

RUBY RYDER

ALEXIS TEXAS

CHRISTINE ALEXIS

When you look and feel like Ashlynn Brooke, it's easy to make friends. She's so beautiful on the outside and feels so good on the inside, what's not to love?

She has a pretty good batch of friends, too: Ruby Ryder, Alexis Texas, Layla Monroe and Christine Alexis all consider themselves among Ashlynn's dearest pals, and Ash likes to treat her friends well, which includes making sure they are sexually satisfied. That's where she brings in some guy pals like Michael Stefano, Ian Scott, Ramon Nomar and Mark Ashley to make sure everyone is happy.

Yes, Ashlynn is quite a girl. And don't think she doesn't allow herself the same kind of satisfaction that her gorgeous friends indulge in. Ashlynn gets nailed real nice just like the rest of them. It's the kind of girl she is.

Ashlynn Brooke

with Ian Scott

The cover and contract star struts down the stairs wearing nothing but panties and a shirt that's a couple sizes too small. No problem, she pulls it high and unleashes her massive mams, making everyone just a little bit happier. By the time she's at the bottom of the stairs, Ian is there and he's anxious to get a taste of her delicious snatch. He licks and fingers until she demands his cock in her suckhole. Of course, once it's in her mouth there's no sense in stopping there, so she gets off those pesky panties, lies on the couch and lets him go to town, ramming her as he holds her legs apart to make room for his ramming.

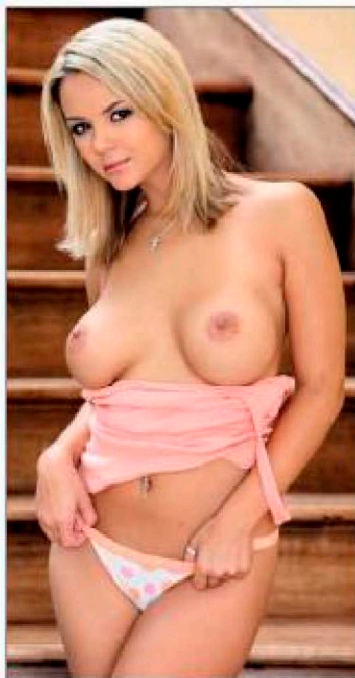

They move into a doggie style and that hits Ashlynn's magic spot, her visibly wet pussy cumming on his cock as she moans

loudly about how good his cock feels inside her pussy. It's the first of many, but she's not a selfish girl and she's just working her way up to his big shot. That comes when she gets on top of him and rides him in a certain way that she just knows will get him off. It does, and she lands on her knees and lets him blast it in her mouth, dribbling a little on her nipples and rubbing it around.

Layla Monroe

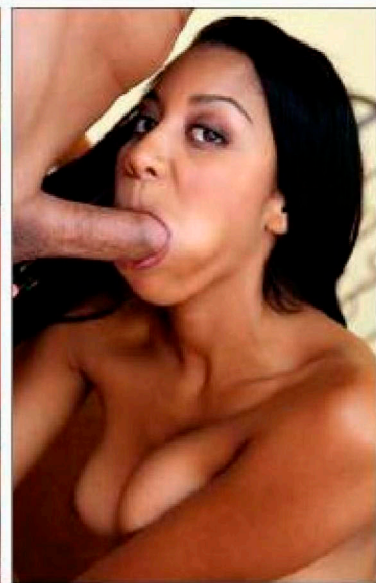

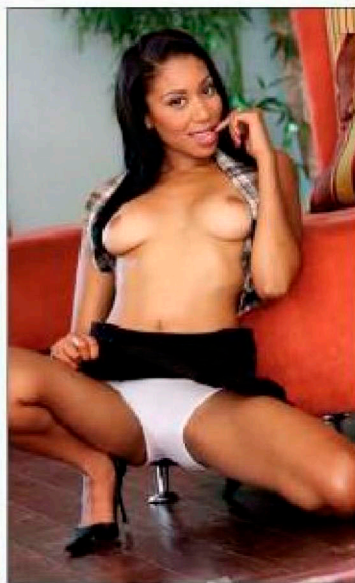

with Michael Stefano

When Layla bends over and shows off the white panties that would otherwise be hidden beneath her tiny brown skirt, one can't help but anticipate what's next. First, top one comes off. Then top two gets pulled up and the bra pulled down, exposing a truly ripe pair. Next the panties go to the side and her fingers do the walking.

**ALL MODELS ARE
18 YEARS OF AGE
OR OLDER**

Ashlynn Brooke's got the look—especially when getting nailed!

Layla Monroe—a breathtaking 'ho!

Michael sees all this and soon enough her clothes are coming off and his cock is getting hard. She sucks him gleefully before maneuvering next to him so he can cram that cock in her tight twat. *"Si, si, si!"* cries our señorita, *"Fuck me, por favor!"* She lies on her back and he does her missionary. She moans her words of sexual wisdom, mostly in Spanish, something that only turns on Michael more. He throws it to her good and there seems to be little question that she is cumming when her body shakes and her head flies back and even her Spanish sounds like another language altogether.

She lets him get his off, too, riding his cock to completion as she makes way for a classic Stefano blast.

Ruby Ryder with Ramon Nomar

Ruby has her eye on poolboy Ramon, and why shouldn't she—out there with his big stick, not wearing a shirt. She eyes him for a couple minutes before motioning him into the house and practically ripping his jeans off. She sucks him off and then quickly takes off her own clothes (except her small skirt and white stockings) and hops right on top of lucky Ramon. If the cock fits, fuck it, and it fits.

Ruby rides him hard, one hand turning wild circles on her shaved-clean twat as she moans enthusiastically. He turns her around and Ruby pulls back her legs and lets Ramon ramrod her from below. Still keeping one hand on her cooze,

Ruby Ryder ridin' dirty!

she squeals her way through an orgasm, announcing loudly that she's cumming.

He holds her up for a kind of standing reverse cowgirl, her legs spread wide and his cock crammed in solid, her expansive pussy lips wrapped kindly around his cock. He cums inside her twat, pulls out, allowing some of it to seep out, then lies her on the bed and fucks her a little more, making sure some of his jizz stays deep inside her, a little something to remember him by.

Alexis Texas

with Michael Stefano

Alexis cleans up real nice in the bathtub, but, oopsy-doopsy, she forgot to take off her panties. This sounds like a job for Michael Stefano.

With a big, round, luscious ass like the backside of Alexis, there's no question that she will be fully explored—and fully satisfied. He walks in, whips it out and lets Alexis conduct her oral authority as he reaches over and feels as she shakes her bumper. Next, he bends her over and fucks her doggie style. This allows him to, one, ram his cock inside her and, two, get

**Alexis Texas is so fucking hot, they
had to name a whole state after her!**

**Christine Alexis:
pussy-full and
panty-free!**

a grip on that ass and watch it majestic jiggle. She seems to enjoy it, too, yelling, "Yeah, fuck my pussy like that, I'm going to cum on your cock, don't stop!"

He plows her through a variety of positions, but it's the classic missionary that eventually gets his rocks off and the load lands splat on her face. For a girl like Alexis, that's dessert.

Christine Alexis

with Mark Ashlynn

Christine is as enthusiastic about the way she handles his cock as Mark is about worshipping her more than worthy body. He licks, she sucks, and they fuck. It's missionary to begin with, slow because Christine's pretty pussy is so tight. But she's horny and wet and soon her snatch opens up, her legs spread and it's smooth nailina

With Christine on top, they alternate between her riding and him jackhammering. She finally finds a rhythm and rides him hard until she cums as his dick disappears deep into her young snatch, her hands tweaking her pierced nipples.

After taking her through the ringer, Mark finally unloads a massive load on the blonde's pretty face. Mug covered in cum there is only one thing left for her to do: caress his member with her full lips. Oh, and maybe send a thank you card to her friend Ashlynn.
